

# Everyone should be informed of the facts of COVID 19. **We are all in this together.**

**MYTH**

COVID-19 can be cured by hydroxychloroquine (anti-malaria drug).

**FACT**

There is currently no proof that hydroxychloroquine or any other drug can cure or prevent COVID-19. In fact, hydroxychloroquine has been associated with increased harm for COVID-19 patients.

We protect each other by: practicing physical distancing, staying at home (if you don't feel well)

Frequent handwashing with soap for at least 20 seconds

Wearing a cloth covering over our nose and mouth in public places

Coughing or sneezing into your elbow

Practice physical distancing by maintaining 1 metre distance between you and others

Avoid touching your eyes, nose and mouth

Stay at home if you feel sick
